PROFESSIONAL SUMMARY

Results-driven **Full Stack Web Developer** and MCA graduate with hands-on experience in building scalable, responsive, and high-performance web applications using **React.js, Next.js, Django, and Tailwind CSS**. Proficient in both **frontend and backend development**, database management, and version control using Git/GitHub. Demonstrated ability to deliver production-ready applications through internships and independent projects. Strong foundation in **software development life cycle (SDLC)**, agile workflows, and industry best practices. Actively seeking a software development role to leverage technical expertise and contribute to organizational growth.

TECHNICAL SKILLS

Programming Languages: JavaScript, Python, C, HTML5, CSS3

Frontend Development: React.js, Next.js, Bootstrap 5, Tailwind CSS, Responsive Web Design, UI/UX Design

Backend Development: Django, REST API Development, Django ORM, Server-Side Rendering (SSR)

Databases: MySQL, MongoDB, Database Design, Query Optimization

Tools & Platforms: Git, GitHub, VS Code, Vercel, npm, pip

SOFT SKILLS

Soft Skills: Problem Solving, Team Collaboration, Communication, Adaptability, Quick Learning

EDUCATION

Master of Computer Applications (MCA)

Chhatrapati Shahu Ji Maharaj University

2024 – Present

Kanpur, Uttar Pradesh

- Final semester completed; result awaited. Coursework includes Software Engineering, Data Structures, Web Technologies, and Database Management Systems.

Bachelor of Computer Applications (BCA)

Jagran College of Arts, Science & Commerce

2021 – 2024

Kanpur, Uttar Pradesh

- Graduated with a CGPA of **7.12/10**. Relevant coursework: Programming in C, Python, Web Development, DBMS, Software Engineering.

Senior Secondary (Class XII)

Ch. Vishambhar Singh Bhartiya Vidyalaya Inter College

07/2019 – 06/2020

Auraiya, Uttar Pradesh

- Completed with **72%** in Physics, Chemistry, and Mathematics stream.

High School (Class X)

Ch. Vishambhar Singh Bhartiya Balika Inter College

07/2017 – 04/2018

Auraiya, Uttar Pradesh

- Completed with **69%**.

INTERNSHIP & TRAINING EXPERIENCE

Web Development Intern

SkillCraft Technology

Feb 2026 – Mar 2026

Remote / Virtual

- Developed and deployed responsive website components using **HTML, CSS, JavaScript, and React.js**, following industry-standard coding practices.
- Collaborated with the development team on frontend design tasks, gaining practical exposure to real-world **software development workflows** and version control using Git/GitHub.
- Implemented UI enhancements and cross-browser compatible designs, improving overall user experience.

Python Programming Intern

CodSoft

Oct 2023

Remote / Virtual

- Developed Python-based programs focusing on **logic building, algorithmic problem solving**, and core programming concepts.
- Completed assigned tasks on time, demonstrating ability to work independently in a remote development environment.

Data Science Training

Internshala

2023

Online

- Completed an **8-week structured training program** in Data Science, covering data handling, data analysis, and foundational Python libraries for data processing.

Python Programming Training (Basic & Advanced)

Ritusha Consultants Pvt. Ltd.

2022 – 2023

Kanpur, Uttar Pradesh

- Completed two-phase training in **Python programming** — covering fundamentals and advanced application development concepts including file handling, OOP, and practical project development.

PROJECTS

- Personal Portfolio Website | *React.js, Next.js, Tailwind CSS, JavaScript, Vercel* Live Demo
- Designed and developed a **fully responsive, SEO-optimized personal portfolio** to showcase technical projects, skills, and certifications to potential recruiters and clients.
 - Implemented **smooth UI animations, interactive project showcase sections**, and an integrated contact form, delivering a premium user experience across all device sizes.
 - Deployed on **Vercel** with CI/CD pipeline via GitHub for continuous deployment; achieved fast load times through Next.js **server-side rendering (SSR)** and performance optimization.

- The Royal Pixel – Photography Studio Website | *React.js, Next.js, Tailwind CSS, Vercel*
- Built a **production-grade, fully responsive photography studio website** for a client, featuring premium gallery sections, animated UI components, and service/contact pages.
 - Delivered an elegant, professional design with **optimized image loading** and smooth transitions to enhance client engagement and improve online presence.
 - Deployed and maintained using **Vercel with GitHub integration**, following real-world client delivery workflow.

- ShopNest – Full Stack E-Commerce Web Application | *Django, MySQL, HTML, CSS, JavaScript*
- Developed a **full-stack e-commerce platform** with features including product catalog, shopping cart management, and order placement using Django's **MVC architecture**.
 - Designed and optimized a **relational MySQL database schema** for products, users, and orders; implemented Django ORM for efficient data retrieval and CRUD operations.
 - Implemented **user authentication, session management**, and secure checkout flow for a seamless end-to-end shopping experience.

- House Call Services – On-Demand Home Services Application | *Python, Tkinter, MySQL*
- Developed a **desktop-based service booking application** enabling users to book electricians, plumbers, and cleaners through an intuitive GUI built with Python Tkinter.
 - Integrated **MySQL database** for persistent storage and management of customer profiles, service categories, and booking records with full CRUD functionality.

CERTIFICATIONS

- Web Development Virtual Internship Certificate – SkillCraft Technology (2026)
- Python Programming Virtual Internship Certificate – CodSoft (2023)
- Data Science Training Certificate – Internshala (2023)
- Python Programming Training Certificate – Ritusha Consultants Pvt. Ltd.
- Advanced Python Programming Training Certificate – Ritusha Consultants Pvt. Ltd.
