## Professional Summary

Full Stack Web Developer (MCA) with experience building and deploying two production-grade web applications using React.js, Next.js, and Django. Skilled in responsive UI design, database design, and REST API development, with a track record of delivering measurable performance gains such as 30–40% faster page loads.

## Technical Skills

**Languages:** JavaScript, Python, HTML5, CSS3

**Frontend:** React.js, Next.js, Bootstrap 5, Tailwind CSS, Responsive Web Design, UI/UX Design

**Backend:** Django, REST API Development, Server-Side Rendering (SSR)

**Databases:** MySQL, MongoDB, Database Design, ORM, CRUD Operations

**Tools & Platforms:** Git, GitHub, VS Code, Vercel, npm, pip, CI/CD, Claude, GitHub Copilot, ChatGPT, Cursor

**CS Fundamentals:** OOP, DBMS, Operating Systems, Computer Networks, Software Testing, Debugging

## Projects

### Personal Portfolio Website

my-portfolio-tan-beta-79.vercel.app

React.js, Next.js, Tailwind CSS, JavaScript, Vercel

github.com/SiddharthKushwaha21/personal-portfolio.git

- Built a fully responsive, SEO-optimized portfolio with interactive project showcases and an integrated contact form to drive recruiter engagement.
- Deployed on Vercel with CI/CD via GitHub; leveraged Next.js SSR to improve page load speed by 30–40%.

### The Royal Pixel – Photography Studio Website

wedding-studio-six.vercel.app

React.js, Next.js, Tailwind CSS, Vercel

github.com/SiddharthKushwaha21/wedding-studio.git

- Developed a production-grade, fully responsive client website with animated UI components, a premium gallery, and service/contact pages.
- Optimized image loading and lazy-rendering, cutting initial page load time by over 35% and delivered end-to-end via a real-world client feedback loop.

### ShopNest – Full Stack E-Commerce Web Application

Django, MySQL, HTML, CSS, JavaScript

- Architected a full-stack e-commerce platform supporting 50+ products, with product catalog, cart management, and order placement using Django MVC and ORM.
- Designed a normalized relational MySQL schema (6+ tables) with secure authentication and checkout flow; optimized ORM queries with indexing to cut lookup response time by 30–40%.

## Experience

### Web Development Intern – SkillCraft Technology

Feb 2026 – Mar 2026, Remote

- Engineered and deployed responsive UI components in React.js and JavaScript, translating design mockups into pixel-accurate, cross-browser-compatible interfaces.
- Collaborated via Git/GitHub following industry-standard code review and version control practices in an Agile workflow.

### Python Programming Intern – CodSoft

Oct 2023, Remote

- Designed and implemented Python programs applying OOP principles, algorithmic problem-solving, and modular code structure.

## Education

### Master of Computer Applications (MCA)

2024 – 2026

Chhatrapati Shahu Ji Maharaj University, Kanpur, Uttar Pradesh

### Bachelor of Computer Applications (BCA)

2021 – 2024

Jagran College of Arts, Science & Commerce, Kanpur, Uttar Pradesh

## Certifications

- Web Development Virtual Internship Certificate – SkillCraft Technology (2026)
- Python Programming Virtual Internship Certificate – CodSoft (2023)
- Python Programming Training Certificate (Basic & Advanced) – Ritusha Consultants Pvt. Ltd.
